

Fall Registration

It's time to start thinking about fall 2011 school year. One of the benefits Town and Country offers is early registration for our families that are already enrolled with us. You will be given a two week period to reenroll a child, enroll a younger sibling, or both, before we open registration up to the public. After the two week window, I will call those that have gotten on our pre-registration list,(tell a friend to get on our list now) they too will have the opportunity to enroll before the public. No lottery, no long lines!

- Early Registration for families already enrolled is Tuesday, Feb. 1 to Friday, Feb. 11
- Pre-registration for families who are on the pre-registration list will begin Monday, Feb. 14
 - Open Registration will begin Monday, Feb. 28

A \$50 non refundable registration fee is required at the time of registration.
