

# THE SCHOOL SHED

## JANUARY 2011

### A Message From the Director

Happy New Year to all! I hope everyone enjoyed the holiday season. I'm not sure about you but I had a hard time getting into the holiday spirit with it being 75 degrees outside. Once the temperatures changed it felt like winter and not spring. I was able to take some time off which was well spent with family and friends.

The holiday programs in each class were amazing. Thank you for attending, we hope you enjoyed it as much as we did.

"Winter Wonderland" is our January theme. Oh what fun we will have! The children will be learning about polar animals and their habitats, hibernation, weather changes, penguins and snowflakes. Letters Oo, Pp, and Qq will be introduced, the children will focus on numbers 11 and 12 the color white and rectangle is our new shape.

### A Message Of Thanks

*All of us at Town and Country Preschool would like to thank you for all the wonderful gifts that were brought to us around the holidays. We appreciate each and everyone of you for keeping us in your thoughts.*

### Fall Registration 2011/2012

It seems like so far away, but it's actually just around the corner and will be here before you know it. In order to guarantee your child a spot for fall, those families that are currently enrolled with Town and Country will be given the opportunity to enroll before we open enrollment up to the public. You may reenroll a child who is already in one of our programs or enroll a younger sibling. This early enrollment will begin Tuesday, Feb. 1 and will end Friday, Feb. 11th. If you have not turned your paperwork **and** registration fee in by the 11, we will be unable to guarantee a spot for your child, however you may still register. Please do not hesitate to ask for details. More information will go out at the end of the month.
