

THE SCHOOL SHED

NOVEMBER 2010

Director's Message

I wasn't prepared when I woke this morning to some flurries. It seems like just yesterday we were taking the kids to the pool and spraying on sunscreen.

Only in Colorado can you have hayrides on one day and freeze, and the very next day it is seventy eight degrees while parading around the preschool. We had a great time with both events, regardless of the weather. I want to thank all of those who helped last week with the hayrides, parades and fall festivals. We appreciate all you do!

November brings time for giving thanks to family and friends, learning about Native Americans, Pilgrims and other fall features such as owls, pumpkin pie play dough, corn bread and our annual family feast.

Our letters for the month are Ii, Jj, and Kk. We will focus on the numbers 7 and 8, introduce the color brown and the triangle.

I would like to say thank you to my wonderful staff for doing such an outstanding job over fall break. My family and I were able to take a much needed vacation to Hawaii and enjoyed every minute of it. Thank you ladies!!

SNOW CLOSURE POLICY

Town and Country Preschool has designed two different snow closure policies. They are as follows:

If d49 announces a closure due to inclement weather, our preschool and pre-k classes will close. If d49 announces a delay due to inclement weather, Town and Country will run

ALL classes as scheduled unless Town and Country Preschool determines the need to delay. The two extended care classes will close ONLY if Town and Country determines the need for a closure. There are several ways you can be informed of a closure.

- * Call the office @719-494-0758 A message will be posted by 6:00am
 - * Check the web site at www.TandCPreschool.com, an alert will be posted by 6:00am
 - * Watch your local news station for a d49 closure
 - * Subscribe to our automatic updates and text messages. See the web site for further details on how you can do this.
- Please let me know if you have any questions!!

Don't Forget Your Coat!

The weather is changing. Please dress children in warm clothing. There are times even when it is cold that we will take the children outside.

Toys at School

Recently we have had several children bringing toys and other valuable items to school. Please do not allow your child to bring these items to school. They get lost, broken and sometimes even taken by another child. Thank you for your cooperation!

There have been lots of opportunities for taking pictures of your little one's special moments here at Town & Country Preschool. In just a few months he/she has already been on a field trip to Safeway, been on a hay ride and pumpkin picking, plus there was the wonderful costume parade.

These are all great moments that you don't want to forget.

But where do your pictures go from there?

Will they sit in your computer where no one can see them?

Will you remember the stories that go along with those pictures?

It's time to do something about preserving those special memories.

Heritage Makers is an online Digital Storybooking company.
